

Texas Children's Hospital

- Is one of the nation's largest pediatric hospitals, with with physicians in nearly every specialty and subspecialty.
- Treats more children with cancer than any other organization in the United States.
- Has a network of primary care physicians, community partners, health centers and a health plan designed especially for children.
- Provides a full range of fetal and obstetrical services for babies and mothers, along with gynecological care for women of all ages, at Texas Children's Pavilion for Women.

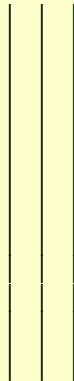

Children's Miracle Network Hospitals

- Children's Miracle Network Hospitals raise funds and awareness for 170 children's hospitals in North America.
- 62 children enter a Children's Miracle Network Hospital for treatment every minute
- 1 in 10 kids in North America is treated by Children's Miracle Network Hospitals each year.
- Aspen, a Children's Miracle Network child, has a father who currently works for McLane!

Texas Children's Hospital and Children's Miracle Network Hospitals Partnership

- Texas Children's is the only Children's Miracle Network hospital in the greater Houston area, covering 19 counties.
- 100% of the money raised in the greater Houston area will not only provide the best possible care, but also to expand that care – reaching out to more children with specialized services where they are needed most.

Address correction required.
